Device categories covered by this certificate:

Device category:	Monofilament Polypropylene Surgical Suture	R33
Risk classification:	III	
Intended purpose:	Filaprop™ / Aspiron Polypropylene sutures are intended for use in general soft tissue approximation and/or ligation, including use in cardiovascular and ophthalmic procedures.	
Device category:	OXIDIZED REGENERATED CELLULOSE	S95
Risk classification:	III	
Intended purpose:	MERIZELLE™ Standard Absorbable Hemostat (oxidized regenerated cellulose) is used in surgical procedures to assist in the control of capillary, venous, and small arterial hemorrhage when ligation or other conventional methods of control are impractical or ineffective. MERIZELLE™ Standard Absorbable Hemostat achieves haemostasis rapidly and endows the antibacterial activity against gram positive and gram negative bacteria at the site implanted. These Hemostats can be cut to size for use in open and endoscopic procedures.	

Examinations and tests performed:

The Certification Body of TÜV SÜD Product Service GmbH certifies that the manufacturer has established, documented and implemented a quality management system as described in Article 10 (9) of the Regulation (EU) 2017/745 on medical devices. Details on device categories covered by the quality management system are described on the following page(s). The Report referenced below summarises the result of the assessment and includes reference to relevant CS, harmonized standards and test reports. The conformity assessment has been carried out according to Annex IX Chapter I and III of this regulation with a positive result.

The quality management system assessment was accompanied by the assessment of technical documentation for devices selected on a representative basis.

The certified quality management system is subject to periodical surveillance by TÜV SÜD Product Service GmbH. The surveillance assessment shall also include an assessment of the technical documentation for the device or devices concerned on the basis of further representative samples. All applicable requirements of the Testing, Certification, Validation and Verification Regulations TÜV SÜD Group have to be complied with.

Pursuant to Regulation (EU) 2017/745 on Medical Devices, Annex IX Chapters I and III
(Class IIa and Class IIb Devices)

No. G10 105557 0004 Rev. 01

Classification: Class IIb
Device Group: H0102010101 - POLYAMIDE MONOFILAMENT WITH NEEDLE
H0102010102 - POLYAMIDE MONOFILAMENT WITHOUT NEEDLE

Intended Purpose: Polyamide Sutures are intended to be used for skin closure and general soft tissue (internal tissue) approximation and/or ligation.

Classification: Class IIb
Device Group: H010202020301 - SILK WITH NEEDLE
H010202020302 - SILK WITHOUT NEEDLE **R 78**

Intended Purpose: Silk Sutures are intended to be used for skin closure and general soft tissue (internal tissue) approximation and/or ligation.

Classification: Class IIb
Device Group: H03010201 - NON-ABSORBABLE SINGULAR CLIPS FOR OPEN SURGERY

Intended Purpose: The Ligating clip and Ligating Clip Applier is intended to be used for ligation of tubular structures or vessels during various surgical procedure in an operation theatre. The tissue being ligated should be consistent with the size of the clip.

Dear Mr. Sharma:

We have reviewed your Section 510(k) premarket notification of intent to market the device referenced above and have determined the device is substantially equivalent (for the indications for use stated in the enclosure) to legally marketed predicate devices marketed in interstate commerce prior to May 28, 1976, the enactment date of the Medical Device Amendments, or to devices that have been reclassified in accordance with the provisions of the Federal Food, Drug, and Cosmetic Act (Act) that do not require approval of a premarket approval application (PMA). You may, therefore, market the device, subject to the general controls provisions of the Act. The general controls provisions of the Act include requirements for annual registration, listing of devices, good manufacturing practice, labeling, and prohibitions against misbranding and adulteration. Please note: CDRH does not evaluate information related to contract liability warranties. We remind you; however, that device labeling must be truthful and not misleading.

If your device is classified (see above) into either class II (Special Controls) or class III (PMA), it may be subject to additional controls. Existing major regulations affecting your device can be found in the Code of Federal Regulations, Title 21, Parts 800 to 898. In addition, FDA may publish further announcements concerning your device in the Federal Register.

Please be advised that FDA's issuance of a substantial equivalence determination does not mean that FDA has made a determination that your device complies with other requirements of the Act or any Federal statutes and regulations administered by other Federal agencies. You must comply with all the Act's requirements, including, but not limited to: registration and listing (21 CFR Part 807); labeling (21 CFR Part 801); medical device reporting (reporting of medical device-related adverse events) (21 CFR 803); good

manufacturing practice requirements as set forth in the quality systems (QS) regulation (21 CFR Part 820); and if applicable, the electronic product radiation control provisions (Sections 531-542 of the Act); 21 CFR 1000-1050.

If you desire specific advice for your device on our labeling regulation (21 CFR Part 801), please contact the Division of Industry and Consumer Education (DICE) at its toll-free number (800) 638-2041 or (301) 796-7100 or at its Internet address <http://www.fda.gov/MedicalDevices/ResourcesforYou/Industry/default.htm>. Also, please note the regulation entitled, "Misbranding by reference to premarket notification" (21 CFR Part 807.97). For questions regarding the reporting of adverse events under the MDR regulation (21 CFR Part 803), please go to <http://www.fda.gov/MedicalDevices/Safety/ReportaProblem/default.htm> for the CDRH's Office of Surveillance and Biometrics/Division of Postmarket Surveillance.

You may obtain other general information on your responsibilities under the Act from the Division of Industry and Consumer Education (DICE) at its toll-free number (800) 638-2041 or (301) 796-7100 or at its Internet address <http://www.fda.gov/MedicalDevices/ResourcesforYou/Industry/default.htm>.

Notice:

The replies to the FAQs are aimed only for creating public awareness about Medical Devices Regulation by CDSCO and are not meant to be used for legal or professional purposes. The readers are advised to refer to the statutory provisions of Drugs and Cosmetics Act & Rules and respective Guidelines / Clarifications issued by CDSCO from time to time for all their professional needs

57. Does the requirement in the fourth schedule which specifies that the manufacturers have to submit an undertaking that they comply with the provisions of the fifth schedule applicable to application for license to manufacture?

- Undertaking signed stating that the manufacturing site is in compliance with the provisions of the Fifth Schedule needs to be submitted in case of manufacture of Class B, C and D medical devices.

58. Is Fifth Schedule applicable for importers?

- Fifth Schedule is applicable for manufacturers.

59. Whether any change in labeling which is not among the details mentioned under Chapter- Labeling of medical devices (Rule 44) need to be notified? For e.g., if the label is universal for India and Philippines and there is change of manufacturing of license no. In the Philippines label part as per their local regulations, need to be notified?

- Label excluding change in font size, font type, color, label design is a major change as per Sixth Schedule and prior approval needs to be taken from Central Drugs Standard Control Organization.

60. Will change in authorized Agent require fresh License?

- Change in Indian agent will require fresh License

61. Whether GMP compliance and GMP certification is applicable to medical devices and IVDs as per Medical Devices Rules, 2017 as it ask for compliance to Quality Management System (QMS) & there is no mention of need for compliance to GMP?

- As per Medical Devices Rules, 2017, there is no mention of requirement for compliance to GMP, but there is need for compliance to QMS and other rules. Therefore, now, there is no requirement of GMP certificates for Medical Devices & IVDs.

62. Despite no mention in rule for domestic purposes, if requested by importing country, who will issue the WHO GMP certificate for medical devices and IVDs ?

- Licensing Authority who has issued the valid license to manufacture for sale will continue to issue WHO GMP certificate (Only on the request of importing country).

70. Is there any provision for issue of GLP certificate in MDR-2017 under Drugs & Cosmetics Act?

- There is no provision in MDR-2017 under Drugs and Cosmetics Act for issue of GLP certificate.

71. Is there any provision for exemption of Annexure A of Fifth schedule in Medical Device Rules, 2017 in respect of environmental requirements for catheters/ Ablation Device/ IV Cannulae/ Scalp Vein Set/ Hypodermic Syringes/ Hypodermic Needles/ Perfusion sets, if the product is supplied non-sterile to be subjected to a cleaning process prior to sterilization or its use?

- As per Fifth Schedule of MDR 2017, Clause 7.5.1.2 regarding control of production and service provision — Specific requirements and clause 7.5.1.2.1 regarding cleanliness of product and contamination control.

The manufacturer shall establish documented requirements for cleanliness of product if:-

- (a) Product is cleaned by the manufacturer prior to sterilisation or its use; or
- (b) Product is supplied non-sterile to be subjected to a cleaning process prior to sterilisation or its use.

Further, it is clarified that, if the product is cleaned in accordance with clause (a) or clause (b) above, the requirements content in clause (a) and (b) of sub-paragraph 6.4 do not apply prior to the cleaning process.

72. Whether separate GMP/QMS is issued by CLA/SLA for Medical Device & In vitro Diagnostic products for the purpose of tender/procurement

- The Existence of manufacturing license under Medical Device Rules 2017 indicate conformance of fifth schedule (Quality Management System) of MDR-2017 & Separate GMP/QMS are not prescribed for issuance by CLA/SLA under Medical Device Rules-2017

INDEPENDENT AUDITOR'S REPORT

To The Members of Meril Endo Surgery Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Meril Endo Surgery Private Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, but does not include financial statements and our auditor's report thereon.

INDEPENDENT AUDITOR'S REPORT

To The Members of Meril Endo Surgery Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Meril Endo Surgery Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statement including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Deloitte Haskins & Sells LLP

- (b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility that was not enabled throughout the year.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1 April 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

INDEPENDENT AUDITOR'S REPORT

To The Members of Meril Endo Surgery Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Meril Endo Surgery Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially
